## Precision CNC Machining

I Auman Machine Co., Inc., in business since 1947, provides the finest in CNC Machining solutions. With a state-of-the-art facility, up-to-date technology and a comprehensive staff, Auman Machine Co. is the total solution provider to many leaders of global manufacturing.

### We operate on these core values:

1. Give the customer what they want, when they want it.
2. A customer in need is a customer indeed.
3. We make it easier and more pleasant to buy from Auman Machine Co. than from our customers' own divisions.
  - a. Our customers would rather assemble Auman machined parts than their own factory's parts.
4. We do for our customers what other vendors do not want to do - making Auman a SOLUTION provider.
5. "It can not be done" does NOT exist at Auman Machine Co.
6. Make good parts first, then good parts fast.
7. Perpetuate Auman Machine Co.

### Service Update

*In accordance with our ongoing effort to add value for our customers, Auman Machine invested in 5 axis CNC vertical machining centers. This provides additional machining capacity.....*

- 150 degree tilting spindle
- Two Pallet system
- Capable of processing large complex workpieces
- Max spindle speed of 10,000 RPM

# We can machine anything to fit our customer's needs.
